

Graduate Studies in Chinese

12-month Master of Science in Global Media and Cultures

Joint degree with Literature, Media, and Communications

Our 1-year program combines advanced language training, media studies, and career preparation. Position yourself for roles in management, international private sector, globally oriented science and technology, and communications.

- Customized opportunities for internships, media studies, research, and study abroad.
- Bilingual portfolio development.
- Personalized advising to jump-start your career.
- Competitive funding opportunities

Intermediate-mid proficiency in Chinese and TOEFL 90+ required.

Chinese at Georgia Tech

China is a major player in global affairs and international business, making Chinese a critical language for a wide range of career paths across the globe. The Chinese Program faculty at Georgia Institute of Technology conduct research about the social, political, and historical contexts that shape Chinese culture, with strengths in popular culture, film, linguistics, and education.

Opportunities Abroad:

- Language for Business and Technology program in Shanghai and Quindao
- Georgia Tech at Shenzhen: independent campus with resources in a wide range of disciplines

M.S. in Global Media and Cultures is available with concentrations in Chinese, French, German, Japanese, Russian, and Spanish

沟通你我
改变世界

Hone essential skills like communication, project management, and media literacy to position yourself for leadership and management.

Gain fluency and cultural expertise in a high-impact world language: Chinese, French, German, Japanese, Russian, or Spanish

Customize your education with hands-on opportunities that build your portfolio and prepare you for the next step.

Design your dream career.

“The vision of the program aligns so closely with my goals and values. If I could have created a graduate program, the M.S. in Global Media and Cultures would be it.”

Leighton Rowell
MS-GMC student
