- Career advising and portfolio development.

Intermediate-high proficiency in German and TOEFL 90+ required.

German at Georgia Tech

The German program emphasizes professional-level language, intercultural business, sustainability studies, race and gender studies, film, and digital media production. Spoken by about 100 million people worldwide, German is the language of the strongest economy in the European Union and a critical language in science, engineering, and international affairs. Our graduates consistently go on to high-level positions in German companies and other international organizations.

Opportunities Abroad: Language for Business and Technology program in Munich, Dusseldorf, Weimar, Hamburg, and Berlin
